Hi Ehud,

Attached please find some docs which will give you a good understanding of where we are with the business.

The management report is confidential company communications and the overview is for prospective investors in our funds.

I think we should plan on meeting on the afternoon of the 27th, like 4-7pm with the CN team and other CN director, Iosif Bakaleynik.

Afterwards, if you're up for it, grab dinner together with Yaron (spouses invited as well, of course).

On the morning of the 28th we can also meet with CIFC management and we will then have our board meeting at noon and, if it makes sense to elect you to the board, you can attend the meeting as a new director and meet the others.

Let's please chat when you have read and digested the materials.

All the best,

Andy

Andy,

The latest company presentation I have is from Sep 2013.

I extracted the financial reports out of the board package. It includes YTD 10/31/13 management report and 2014 business plan/budget.
